Dear Ann,
If ever you
got mad, now's the
time. That white cat
you had, did you ever
find the person who did that?
I confess now "I did it." Hoping
our friendship doesn't end.
"Good Luck Next Year".
Your neighbor Yvonne

Dear Jean Ann,
It's been a wonderful
year and one that I will
never forget. Your friendship
has meant a great deal to me
and I hope it will continue
through the years to come.
Sincerely
Mary Alice Weber
Journalism. 10'r

As in my room there is a
place reserved for your
books, I will reserve
a place for you in my
memory. Sincerely,
Elizabeth Hickman

Dear Jean Ann

As you slide down the banister of life
Remember me as a splinter in
your career.

Will always remember you as
a very dear friend.

A classmate
Lynne Hickman

Dear Jean Ann
I'll always remember our trips to ball games and your stories about pie making. Have fun always
Love,
Joan Davis

Too much moonlight

Dear Jean Ann,
I've sincerely enjoyed knowing you throughout the three years we've been here. You've been a wonderful friend. Lots of Luck.
Bonnie Berry

To Jean Ann -
I'll always remember "Nightmare on a Topic Club." Next time we'll have some sense enough to remember our street number.
Best of Everything Always
Marilyn

— To a swell girl —
In my two years I have
learned to like you very much.
I hope our friendship will
last. "Best of luck always"
